

About Our Club: Futsal209 is a futsal-only club and is not affiliated with any outdoor club. We are club neutral and everyone is welcome. Recruiting to outdoor teams from Futsal209 by coaches, parents and players is strictly prohibited. All of our coaches are licensed futsal coaches, and our curriculum focuses on individual development and growth.

Purpose of Our Club: To build ballers on the court and in life through the sport of futsal.

Our Goals: Futsal209 United Futsal teams are designed for ELITE LEVEL competitive players who love to play and want to elevate their game. This level is for the best of the best. Most of the best players in the world developed their skills through futsal. Our goals are (1) to transform our players on and off the court through the sport of futsal and (2) provide players in the Central Valley with the opportunity to compete at the highest level of futsal offered in the United States.

About United Futsal: United Futsal provides the highest level of competition for futsal in the United States through their Champions Cup Series. Futsal209 is a United Futsal club. We are one of only 24 in the nation including only five in Northern California. The others in NorCal are Ballistic/San Ramon, DeAnza/Thorns, Mustang, and Anthem (Sacramento). More information about United Futsal can be found at www.unitedfutsal.com.

Benefits of Playing Futsal: Playing futsal naturally creates faster players with better technical skills. The smaller playing field, low bounce ball, faster surface and 5v5 format teaches players to think faster and play faster. This translates to greater skill in outdoor soccer. Futsal players also get more touches (600% more than

outdoor and 200% more than traditional indoor), score more goals (a goal every six minutes, and have more FUN!

Commitment: Our season runs December 1 – August 1. But in 2021 due to Covid19 our season will run from March 27 to August 1. We train 2-3 times per month. In the weeks just prior to competition we have more sessions and in other months fewer sessions. Trainings are typically Sunday afternoons in Turlock. We compete in the Champions Cup Series (CCS) which is the highest level of futsal competition in the nation. There are three events for a total of 15 guaranteed matches, including at least one international match, that make up CCS. These events are:

- CCS Regionals | December June 4-6 | Las Vegas
- CCS Nationals | July 25-27, 2021 | Orlando Florida
- CCS World Championships | July 28-31, 2021 | Orlando Florida

Selection Process: There are five total age groups (2 boys and 3 girls) 2013/12 boys, 2011/10 boys, 2011/10 girls, 2009/08 girls, 2007/06 girls. Players are selected to a pool of up to 18 players in each age group. From there, 10 players are selected to the events. At least 20% (2) of the 10 players selected to an event must be from the younger age group. Players who can attend all three events are given preference in roster selection. Otherwise, rosters will vary from event to event depending on commitment and performance. This is a highly competitive environment.

Scholarships & Fundraising: Keeping costs down so all players can afford to play on Futsal209 United Futsal teams is our highest priority. We do have scholarships available for the Futsal209 annual memberships and monthly training fee for families who demonstrate need. Additionally, we have been very successful in our fundraising and sponsorship efforts. We have a Community Board of Directors that is dedicated to this cause and committed to making sure no child is turned away for financial reasons. This past season we were very successful in fundraising all of the United Futsal CCS tournament entry fees (\$375 per player). We anticipate providing families with the ability to raise that amount again this year.

COVID19: We are committed to providing FULL REFUNDS in the event that we are not able to participate in events due to COVID19. The payment schedule included in this handout is an estimate, but we will make adjustments depending on COVID19. Before collecting any payments, we will be transparent and provide you with specific details regarding refunds so you can make an informed decision.
